#### Explanation

Public Education and Awareness Campaigns: Active Minds has created Awareness Campaigns for our chapters, partners, and supporters such as V-A-R, Suicide Prevention Month, Stress Less Week, #HereForYou, and PostSecretU. During these programs, students and community members are introduced to mental health topics that are very relevant and often misunderstood, in an approachable way. By educating through innovative and relevant means including existing student networks (ie fraternities and sororities, honor societies, athletics), a comprehensive website at www.activeminds.org, digital means including Slack and outbound texting, and an interactive presence on social media, Active Minds aims to raise public consciousness and change the way mental health issues are understood and publicly approached. In 2022-2023, more than 1,000 campuses and communities ran Active Minds' Public Education and Awareness Campaigns. Statement of Program Service Accomplishments

#### Explanation

Send Silence Packing, suicide awareness program: Suicide is the second leading cause of death for young adults, and each one of those deaths touches us all. Send Silence Packing is an award-winning exhibit of more than a thousand donated backpacks representing the college student lives lost to suicide every year, complemented with a digital Behind the Backpacks experience. Active Minds has collected backpacks and personal stories in memory or in honor of loved ones impacted by suicide. By displaying backpacks with personal stories that put a face to lives lost to suicide, Send Silence Packing carries the message that preventing suicide is not just about lowering statistics, but also about saving the lives of students, daughters, sons, brothers, sisters and friends.
